Meet & Greet

April 27, 2020

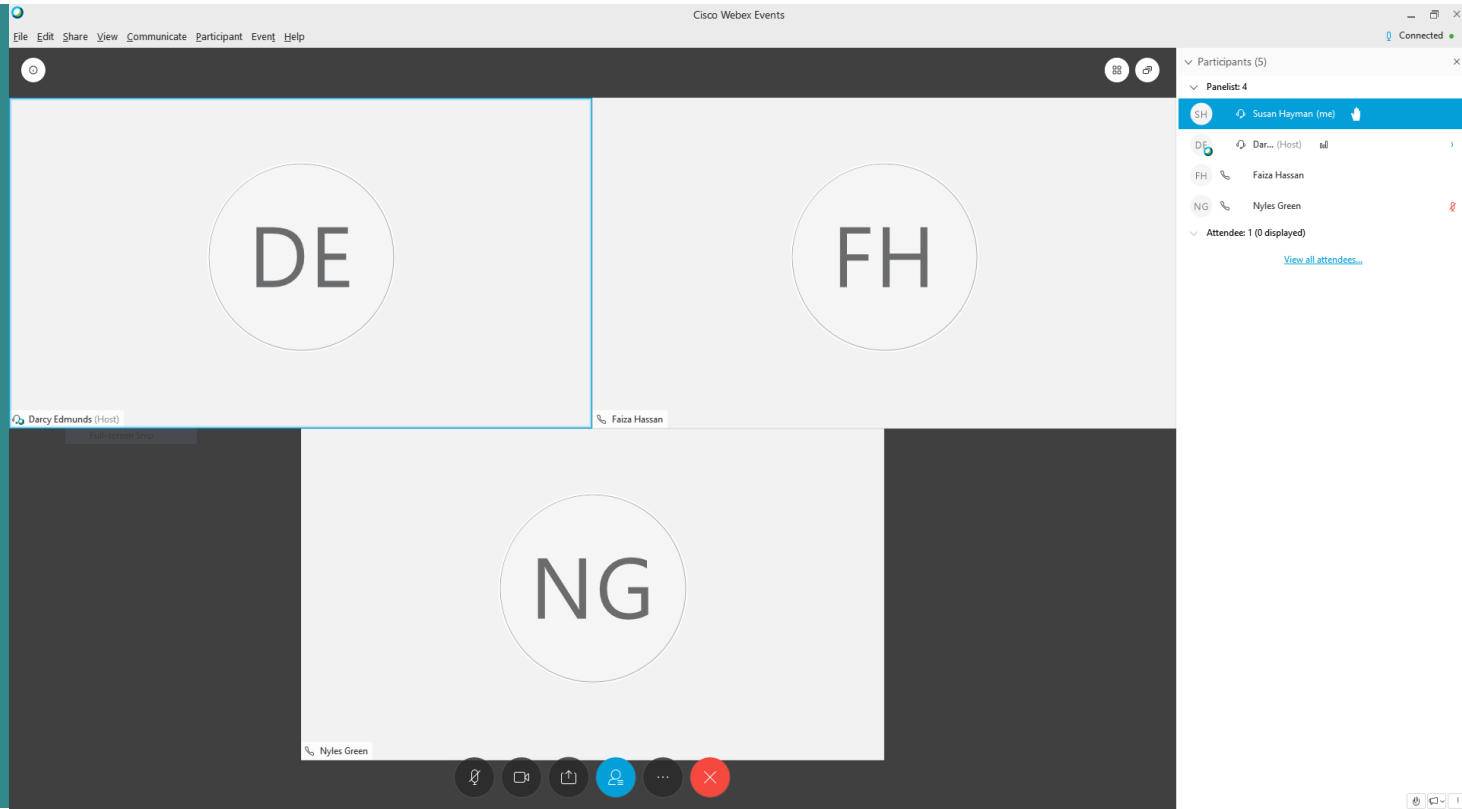

**PUGET
SOUND
ENERGY**

Panelist Screen Controls

Please use headphones or earbuds to reduce background noise.

We will keep everyone muted during the meeting. When called on, please unmute yourself by clicking on the “unmute” microphone at the bottom left.

We'll help you with controls, if needed.

Your screen should look like this. At the bottom control bar you will be able to click on the microphone icon to mute/unmute, the camera icon to enable/disable video, and the person icon to manage other settings. The meeting slides will appear in the main window.

For today

Darcy Edmunds
is our meeting host.

Please text/call
Darcy if you have
technical difficulties

- Attendees are in listen-only mode.
- Attendees, please submit a question to the host if you are having technical difficulties.
- While we will not offer a public comment opportunity at this meet & greet, we will for future Community Sounding Board meetings.

An aerial photograph of a coastal town and harbor. The foreground shows a residential area with houses and trees. The middle ground features a harbor filled with numerous sailboats and a few larger boats. In the background, a large body of water stretches towards distant mountains under a clear sky. A large, semi-transparent orange rectangle covers the right half of the image, containing the title text.
